

EYFS Learning Links

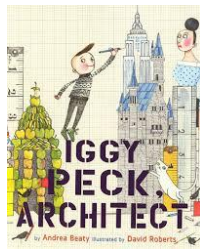

Week beginning: 11th February 2019

Topic Work

Our text for the week will be:

This week will be our final week on construction. We will be looking at images of different famous buildings around the world and then recreating them using our own ideas.

We will then write a caption describing what we have built and who it is for.

Reading and ERR

In ERR this week we will be learning and revising:

Sounds: ee/ea

Words: as, from, now, time, away

The children will be visiting the school library **every other Wednesday** afternoon. Please ensure your child's library book is in school each Wednesday so that they can choose another book.

Maths

Just like Iggy Peck we will construct all sorts of exciting things but first we must graduate from architect school! We will be exploring 3d shapes, following instructions and creating building and towers of our own!

Our number of the week is 15.

We will also be continuing to focus on number formation.

15

Reminders, notices and requests

As we use the outdoors as part of our daily lessons, please ensure that children have hats and gloves in school each day.

Please note that water bottles should contain water only.

Please check the Newsletter each week for Forest School groups.

Thank you for your continued support.

Please practise number formation at home, use the rhymes to help.
