

Dear Parents / Carers,

What a scorcher it has been! Over the weekend, Year 6 had an awesome time on their residential, with all of the children pushing their boundaries and achieving amazing things as they tackled various challenging activities. It was lovely to see them interacting with each other and the Waterman Primary children. They were a true credit to the school and staff who went with them were extremely proud of them.

Back in school, the remaining KS2 visited the 'Stambridge Shop' where they had to calculate the change they would receive from their purchases. Red Pandas have been designing inventions based on Wallace's 'Snoozatron'; Killer Whales have been writing persuasive brochures about India; Rockhopper Penguin were surprised by the results of their cress experiment and have written an account of their trip to Hanningfield, while Tiger Class has been learning the Animal Boogie Song and reading Rumble in the Jungle.

Enjoy a cooler weekend.

Best attendance of the week goes to
Rockhopper Penguins with 100%
Whole school attendance: 98.7%
(target 96%)

Stars of the Week

Tigers – Poppy

Rockhopper Penguins – Isla

Red Pandas – Henry

Killer Whales – Kira

Speller of the week – Alina

Writer of the week – Bailey, Henry and Finley

This weeks 100% attendance with no late mark.

Summer, Isla, Tyler and Bethany J

Cavemen Visit

Yesterday, the whole school visited two cavemen living at Briscoe Primary School. The children had a great experience learning about Stone Age life through listening to stories and handling artifacts. KS2 had turns at softening pelts and trying to catch a flame by rubbing flint and iron pyrite together. KS1 and EYFS listened to stories about the Stone age and the different eras. They joined in with activities including horn blowing and making fires. They enjoyed the whole experience, particularly when the cavemen made them an axe from a piece of flint.

Golds this week

Alina, lacey, Keira, Isla, Robbie for achievement, esteem, happiness and writing and performing a play in their own time, George for great friendship; 8484Matias achievement in writing, Junior for demonstrating mature behaviour during Forest School; Skye for being an amazing shopkeeper, calculating change.

Platinum

Taliya for being amazing at the year 6 Residential encouraging other children, and being an excellent team leader.

HOT WEATHER

Many children are not coming to school with a water bottle during the hot weather. Please ensure your child has a named bottle they can drink from for use in class. (No juice please, only in lunchboxes.) Children also need to have sun cream applied prior to coming to school and a sunhat is also essential.

BOWS

Children are only permitted to wear small blue bows as part of uniform.

Production Plea

KS2 children have been given their play- scripts. Please practice their words with them so they know them off by heart.

Head Boy and Girl corner

We had an amazing time at Briscoe learning about the Cavemen and their way of life. It was really good fun. Year 6 had lots of fun on their residential.

Hope you have an amazing weekend!

Beth and Dylan ☺
