@HilltopInfant

Head of School: Mr D Chapman

26<sup>th</sup> September 2018.

Dear Parents/Carers,

We are looking into the way we ask you to order your child's dinner every day, and trying to find ways to improve our current system. With this in mind we are looking at moving to asking the children to select their own dinner choices each morning at school.

As always we try to ensure that we encourage the development of all aspects of learning that children access while with us at Hilltop Infant school. One of the biggest skills which we strive to encourage our children to develop is their independence skills.

As a school we are also aware of the national crisis regarding child obesity and are endeavouring to do our part to ensure our children do not add to this statistic. In school we aim to educate our children about healthy food choices along with varied and balanced diets and feel that this new initiative will greatly support them developing this knowledge.

We are also attempting to support our wonderful office staff reduce the amount of paper that we send out and process in school.

We will of course continue to send out our current 3 week menu sheet so that you can talk with your child/ren at home about what they may choose that day at school. Of course staff will also support children in their choices but once they have chosen the right choice themselves it won't be changed.

Before bringing in this new system, we would like to ask Parents their opinion.

Please reply below any queries you may have about this initiative and we will respond to all on a feedback element on our weekly newsletter.

Thank you for your time.

Yours Sincerely

Mr D Chapman
